Clairbourn School is a coeducational, private school for students in preschool through middle school (JPK-8th) that has continuously served the greater Pasadena area since 1926. We are known for excellent academics, our welcoming community, our attractive campus, and a strong record of sending graduates to top area high schools. Students are accepted to Clairbourn's elementary and middle school grades on the basis of their previous academic performance, standardized test scores, writing samples, teacher recommendations, and, in the case of Preschool through Kindergarten, their maturity and school readiness. We welcome students of any race, color, religion, national or ethnic origin. [www.clairbourn.org](http://www.clairbourn.org)
